

Accessibility statement

We take our legal responsibilities towards disabled people very seriously. We welcome enquiries from disabled people and have worked with our digital design agency to make the website easy to use whatever your disability.

Our website

This website has been designed to be as accessible as possible, conforming to the guidance set out in Publicly Available Specification 78: Guide to Good Practice in Commissioning Accessible Websites (London: BSI, 2006). The site conforms to Level AA of the W3C Web Accessibility Initiative Web Content Accessibility Guidelines 2.0 (www.w3.org/wai).

If you are disabled, and have any difficulty using the website, please contact us info@carterbond.co.uk. We will be very happy to receive your feedback and will do all that we can to ensure that the information contained on our website is accessible to you.

If you are disabled and would like information on how to make the web easier to access, we recommend the BBC's My Web My Way website at <http://www.bbc.co.uk/accessibility/>.

Availability access keys

This site uses a setup that closely matches most international recommendations on access keys. These are:

- 1 — Home Page
- 2 — Skip to content
- 3 — Site Map
- 4 — Search field focus
- 5 — Advanced Search
- 6 — Site navigation tree
- 9 — Contact information
- 0 — Access Key details
